

Introducing **PANDA**, the Bamboo banner stand, an eco friendly alternative to conventional banner stands.

Primarily constructed of bamboo, the PANDA stand is made from 90% renewable resources, and as a low impact agro-forestry product, it offers a natural green choice for business. This highly attractive portable display unit, offers the same high specification as other quality stands.

It's precision engineered retraction system makes it easy and quick to set up. Simply unwind the graphic stored in the bamboo base and insert the support pole. It is easily erected and transported by one person.

Why Bamboo?

- It is the fastest growing plant on earth and matures in just 3 to 4 years.
- It provides a critical component in the balance of oxygen and carbon dioxide in the atmosphere.
- The bamboo used is plantation grown and not part of the giant panda's diet.
